

Mission

Our car dealership specialists can optimize your insurance on the basis of your actual risk circumstances.

From the multi-line policy to professional and business liability, agent liability, photovoltaic insurance, D&O insurance including extended legal assistance insurance, cyber insurance, office inventory and electronic equipment insurance – all from a single source.

Team of Experts

Target groups

For our target group of car dealerships and car and truck repair shops, we offer custom-tailored insurance concepts, in addition to special extended terms of coverage.
