# #360° Lawfirmprotection

LAW · TAX · M&A

## Mission

Subsequent to legal representation and tax advice, law firms face a variety of risks, particularly with regard to the long-term damage issue. Professional indemnity insurance tailored individually to the law firm or consultancy is therefore of critical importance for protection of the law firm or partnership's continued existence. We offer holistic protection concepts with individual financial loss liability insurance, W&I insurance, D&O insurance, and cyber insurance!

**Sustainable concepts**

- Comprehensive advice when changing the legal form of the law firm
- Solutions for international offices, even in so-called "nonadmitted countries"
- Substitute cover when commissioning correspondence law firms Save up to 40 % on premiums for individual mandate insurance policies
- Best-in-class concept for patent law firms (MRH Trowe IP Protect)
- Hedging of downstream insolvency risks
- Special conditions for notaries in the area of supplementary insurance
- Tailor-made solutions for manager liability
  - ODL cover for law firms
  - Company D&O
  - Personal D&O
  - Separate shield for supervisory board
- M&A-transaction
  - Insurance Due Diligence
  - Network of internal and external experts (M&A consulting companies, financing experts, specialized Legal advisors and tax advisors)
- Cyber risks – exclusive framework agreements
  - Architects and engineers
  - Legal and economic advisory professions
  - Real estate industry
  - Financial services providers
  - Local public transport

## Team of Experts

For our **target group** of the legal and economic advisory professions, we offer individually tailored concepts, in particular for large and medium-sized firms and international law firms.

For **real estate and corporate transactions**, we accompany buyer and seller by covering purchase contract warranty and indemnity claims in close collaboration with buyers' and sellers' legal advisors.

To preserve the liquidity of the company and to safeguard the private assets of board members, we transfer strategic and operative risks of management bodies and supervisory bodies into special **D&O cover concepts**.

We design tailor-made solutions for **cyber risks** associated with the advancing digitalization.

**360° Service**

- 24/7 digital client portal
- Insurance guide
- Renewal report
- Crisis management organization with network
- International support with network
